	<p>already running? Now 1.42 is level 2 and only 1 day course.</p> <ul style="list-style-type: none"> - If the training is targeted for anyone who wants to carry out incident investigations effectively, can it be only level 2? Should it be divided into two courses: one for basic level and the other for higher level of understanding? <p>As there are no TC members from countries interested to run this course or chair present in the meeting, the discussion about structure and learning outcomes should be continued in the next meeting.</p>		
7	<p>E-learning</p> <p>The pandemic has changed the world and it was discussed that should we have rules in the Training Centre Handbook about e-learning, online training and for example about VR? For example, the following questions were raised:</p> <ul style="list-style-type: none"> - If the course has learning outcomes of higher level, what parts of the training can be done via online training or by e-learning - if any? - Can the tests be done online? - If some parts of the training has been done as e-learning, should the learning of those parts be measured before the course starts or just when the participants do their final exam? <p>This topic should be discussed in more detail in the next meeting.</p>		Next meeting
8	<p>Erasmus+</p> <p>JS told about the possibility to apply for funding from Erasmus+ project in order to develop courses and training materials in cooperation. He will send more information to members of TC by email.</p>	JS	
9	<p>Courses</p> <p>The “Fire Watch” course was postponed from the last next meeting. The current CFPA-E -course 1.23 “Basic Fire Fighting & Fire Prevention” covers the need that Finland has for the training and fire watch training can be modified from that.</p> <p>MR raised discussion about new risks, which could be held as seminars or webinars:</p>	HH	Done
